Dear Sir or Madam,

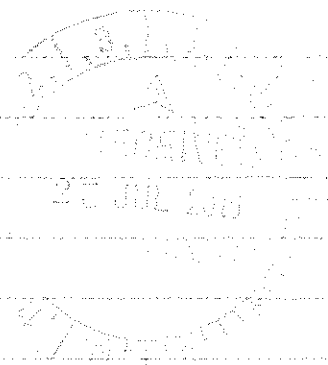

I would like to acknowledge your concern about my education, being one of USAID beneficiaries. It was only through your support in my studies that I've been able to go through my education. I did my K.C.S.E last year and attained a mean grade of C- minus of 3 1/2 points.

Thank you very much for all your support and concern. I hope you will help me join middle college to attain my dream career and help vulnerable children just the same way you helped me.

Thank you for your assistance.

Yours Sincerely

Salome Kiamene
