REF: A THANK YOU L

With the above reference I take this grand opportunity to thank you for supporting me in school fees in the previous until I completed my secondary course, at Yumbisye High. I beg that you share my credit appreciation with the entire team of USAID involved in the programme.

My hope and desire is that the K.C.S.E results will be a matter of celebration between you, I and friends. I anticipate to proceed with my education to higher levels. I will keep informing you on each step I take.

Please reply using the new address above. In case for information contact my pastor - Rev. Patrick Kiema 0721711327.

God bless you as you continue with your programmes next year 2010. Have a prosperous year of great things.

Yours faithfully,
