Dear Sir/Madam

REF: APPRECIATION FOR SCHOLARSHIP AWARD

I am writing to sincerely register my appreciation for USAID scholarship program for OVCs.

Sir/Madam, since I began my studies at the university I have had a lot of challenges in fee payment and also in up keep due to this rising cost of living in our country.

However without hesitation, USAID took direct ownership of the issue and has assisted me to settle all the fee balance that was due to be paid. I commend your organization for the value of service provided to orphans in this country and feel grateful to be one of the beneficiaries.

Once again I am very thankful and feel honoured for the assistance I have received from you.

Yours Sincerely,

Jasper Oginga Mboya.
