Dear Sir/Madam,

RE: APPRECIATION FOR YOUR SCHOLARSHIP

I am a form four student in Nyandarua High School and a beneficiary of your sponsorship. I take this opportunity to pass my warm gratitude as a result of your continued sponsorship. Thank you for paying my fees. Besides, I hope that even for the remaining part of it you are going to consider me.

I promise to work hard and not to let you down. To be frank, you have met a lot in my high school life. May Almighty God bless you abundantly according to His riches in glory and may He enlarge your territories.

I am looking forward to your continued support, God bless.

Thank you.

Yours faithfully,

Peris Wanjiru Wairegi
