RE: A THANK YOU NOTE.

Dear Sir/Madam,

I would like to take this opportunity to pass my gratitude to all the stakeholders who have toiled and milled very hard to enhance and propagated my work as education to ensure they have up to this year.

I cannot take it Sir gratified because I know that it has costed you Sir quite an amount but I trust and hope that our Almighty Lord will reward your efforts abundantly.

So Sir am moving on well with my academics and even am lacking words to explain how thankful I am Sir the curiosity that you have shown upon me, thanks once more.

Allow me to create awareness that Sir now am having a normal school balance of Sh 1,060 and Sh 5,400 Sir tuition which I have not paid since

Start first term in form three.

Let me conclude by promising to utilise and maximise my potentials and capabilities I have to produce the best grade I can.

For now am a House Captain and am hoping to become a leader in future whereby I could be assisting the need people I been a living experience and make so to needy students to pursue their academic goals. Thank you very much. May God bless you all.

Your Sincerely

CHARLES MUTUA KILU
